15mm TG2	2397 x 1220	60
18mm TG2	2397 x 1220	50
18mm	2440 x 1220	50
18mm TG4	2400 x 600	100
22mm TG2	2397 x 1220	41

SMART APPLICATIONS FOR OSB

garden sheds

SmartPly is made with exterior grade glue and is ideal for domestic uses such as garden sheds, dog kennels and rabbit hutches.

flat roofs

SmartPly Roof is designed for use as part of a recognised flat roof system, including load-bearing flat roofs and roof decks.

broken windows

SmartPly is just the job for general building uses such as boarding up windows, hoardings, packaging, pallet tops and signboards.

partition walls

SmartPly has the all-round strength, stiffness and spanning capacity needed to make a rigid vertical partition wall.

timber frames

SmartPly Frame is designed to provide a high quality, rigid wall sheathing as part of a timber frame construction.

pitched roofs and dormer windows

SmartPly Roof is ideal for use on pitched roofs as a roof lining for slates or tiles (sarking). It is also a perfect solution when building dormer windows.

floors

SmartPly Floor has superior strength which makes it ideal for use in flooring applications. SmartPly Floor+ has a weather resistant peel-off film giving extra protection against moisture and dirt during building.

hoardings

SmartPly makes durable hoardings that won't delaminate and, when painted, will resist dirt, knocks, scratches and the elements.

PARTICLEBOARD FLOORING

Moisture Resistant Chipboard BS EN312:2003 Type P5

18mm	3050 x 1220	36
18mm	2440 x 1830	36

Heavy Duty TG2 Flooring Chipboard

38mm P5	2400 x 600	38
38mm P6	2400 x 600	38

Domestic Flooring Chipboard BS EN312:2003 Type P5

Uncoated

18mm P5 TG4	2400 x 600	80
22mm P5 TG4	2440 x 600	64

FSC Weyroc Protect PFB or Caberdeck Peelclean

18mm P5 TG4	2400 x 600	80
22mm P5 TG4	2440 x 600	64

Weyroc Protect incorporates a permanent, waterproof, slip resistant coated surface.

Please contact us by phone, fax, e-mail or via our website. www.mlmuk.com for current prices, availability and technical literature.

Board sizes are given in millimetres. The figures shown to the right are normal pack quantities.
